Il fascino della boiserie riproposto da una collezione di lastre ceramiche da rivestimento di grande dimensione, con supporto in pasta bianca, realizzate con la tecnica tradizionale della bicottura

The elegant charm of the boiserie brought back again by a collection of large ceramic wall plates with a support in white clay, developed with a traditional double-firing technique

Der Charme der Boiserie wird hier wiederentdeckt mit einer Kollektion aus großflächigen lackierten Keramikplatten, die mittels der traditionellen Technik der Doppelbrennung hergestellt werden

Le charme de la boiserie revit grâce à cette collection de revêtements en plaques céramiques de grande taille, avec support en pâte blanche, réalisées avec la technique traditionnelle de la double cuisson

La fascinación de la boiserie propuesta por una colección de baldosas cerámicas de revestimiento de gran tamaño, con soporte de pasta blanca, realizadas con la técnica tradicional de la biccocción

Очарование деревянной отделки воплощено в коллекции керамической плитки для стен. Это плитка большого размера, с белой пастообразной основой, выполненная в традиционной технике двойного обжига

Collezione di piastrelle da rivestimento in ceramica finemente smaltata, si ispira nella forma al “bugnato” in pietra tipico di molte facciate “classiche”. E’ proposta in due varianti, liscia e diamantata, nei colori bianco e grey beige

•
Collection of finely enamelled ceramic wall tiles,
modelled on the “ashlar” shape of the stone
characteristics of many “classic” façades. Available either
smooth or diamond-edged, in white and grey beige

•
Fliesenkollektion aus fein lackierter Keramik im Stil des
steinernen Bossenwerks, welches typisch ist für viele
klassische Fassaden. In zwei Varianten verfügbar, glatt
oder im Diamantschnitt, in den Farben Weiß oder Grey
Beige

•
Collection de carreaux de revêtement en céramique
finement émaillée dont la forme s’inspire du « bossage »
en pierre typique de nombreuses façades classiques. Elle
est proposée en deux variantes, lisse et diamantée.
Couleurs : blanc et gris beige

•
Colección de losas de revestimiento de cerámica fina
esmaltada, se inspira en la forma de almohadillado de
piedra típico de muchas fachadas clásicas. Se propone en
dos variantes: lisa y adiamantada y en los colores blanco
y gris beige

•
Коллекция керамической плитки покрытая тонким слоем
эмали. Плитка повторяет форму рельефной рустованной
поверхности, типичной для классических каменных
фасадов. Представлена в двух вариантах: полированная, с
алмазной поверхностью; в белом или серо-бежевом цвете

PITTI

Collezione ispirata ai caratteristici rivestimenti di ambienti pubblici newyorkesi e costituita da piastrelle in ceramica di piccola dimensione con supporto in pasta bianca

A collection inspired by the characteristics of tiles typically seen in New York city; produced in small ceramic tiles with a support in white clay

Kollektion im Stil der Verkleidungen öffentlicher New Yorker Gebäude. Sie besteht aus kleinformatigen Keramikfliesen in einer Halterung aus weißen Fugen

Collection qui s'inspire des revêtements caractéristiques de milieux publics new-yorkais et formée de carreaux en céramique de petite taille avec support en pâte blanche

Colección inspirada en los característicos revestimientos de ambientes públicos neoyorkinos y formada por losas de cerámica de pequeño tamaño con soporte de pasta blanca

Коллекция, вдохновленная характерной отделкой нью-йоркских помещений, которая представляет собой керамическую плитку маленьких размеров, крепленной на белую основу

SOHO

Collezione di piastrelle da rivestimento ispirate alla decorazione parigina del primo '900 e realizzate con la tecnica tradizionale della bicottura, utilizzando smalti di ottima qualità in delicate nuances pastello

•
Collection of wall tiles modelled on the Parisian décor of the early 1900s, produced using the traditional double firing technique with top quality enamel in delicate pastel shades

•
Kollektion aus Fliesen zur Verkleidung im Stil der Pariser Dekoration Anfang 19. Jahrhundert. Sie wird mittels der traditionellen Technik des Doppelbrennens erhalten unter Verwendung von hochwertigen Lacken in delikaten Pastellnuancen

•
Collection de carreaux de revêtement qui s'inspirent des décors parisiens du début du XXe siècle et réalisés au moyen de la technique traditionnelle de la double cuisson, en utilisant des émaux d'excellente qualité en délicates nuances pastel

•
Colección de losas de revestimiento inspiradas en la decoración parisina de primeros del siglo XX y realizadas con la técnica tradicional de la bicocción, utilizando esmaltes de primera calidad, de delicados matices pastel

•
Коллекция облицовочной плитки, в духе парижского декора начала XX века, изготовленная по традиционной технологии двойного обжига, с использованием высококачественной эмали легких пастельных оттенков
