SENSA pays decorative tribute to micro-terrazzo tiles, originally developed in Venice, in a 90×90 format. A collection suitable for use on walls and floors, it features 6 models in a choice of white, sand, green, blue, grey and silver. This is the first collection by HARMONY to have been made with SHAPED TECH technology, with a digitally created relief texture that matches the printed design to perfection. The resulting tiles are some of the most natural looking in the tile sector.

HARMONY presenta con SENSA su particular homenaje decorativo al micro terrazo, original de Venecia. En un formato 90×90 nos muestra una colección apta para pavimento y revestimiento en 6 tonalidades diferentes. La primera colección de HARMONY realizada con tecnología Shaped Tech, donde los relieves son creados con tecnología digital perfectamente coordinada con la impresión gráfica para generar las piezas más naturales realizadas en el sector.
