

Sublime

SUBLIME is inspired by the innate spirituality of nature, from the own aesthetic of outdoors to the intimate observations and reflections of a traveller. SUBLIME presents a wide range of designs that can be combined with each other, and together or individually can bring extraordinary beauty to the spaces. The collection has four different graphics: Iceberg —*Camouflage White* or *Terre di Bolgheri* marble—, Thunder —*Negresco Grey* marble—, Vulcano —*Calacatta Black* marble— and Cliff —*Oreo Grey* stone—.

With SUBLIME, MUSEUM is committed to a new collection concept, where it launches four different graphics that can be combined with each other, to surprise aesthetically both by combining them and independently. They are graphics with a lot of personality, especially the Cliff graphic, which denotes prominence wherever it is.

SUBLIME se inspira en la espiritualidad innata de la naturaleza, desde la estética propia del entorno al aire libre, hasta las observaciones y reflexiones íntimas de un viajero. SUBLIME presenta una amplia gama de diseños combinables entre sí, que en conjunto o individualmente aportan una extraordinaria belleza al espacio. La colección tiene cuatro diferentes gráficas: Iceberg —mármol *Camouflage White* o *Terre di Bolgheri*—, Thunder —mármol *Negresco Grey*—, Vulcano —mármol *Calacatta Black*— y Cliff —pétreo *Oreo Grey*—.

Con SUBLIME, MUSEUM apuesta por un nuevo concepto de colección, donde lanza cuatro gráficas distintas combinables entre sí, para sorprender estéticamente tanto combinándolas como de forma independiente. Son gráficas con mucha personalidad, especialmente la gráfica Cliff, que denota protagonismo allá donde esté.
