MOTION  
of Casadolcecasa

## MOTION of Casadolcecasa

Un cemento che si sviluppa in tre semplici tonalità, bianco, marrone e grigio, ma che si caratterizza grazie ad una scelta estetica precisa. Motion mix riscopre l'origine dei prodotti casa dolce casa con una stonalizzazione decisa, la versione motion pure 01. 02. 03 rispecchia il gusto del momento dell'interpretazione del cemento con morbide variazioni cromatiche. Motion Basic completa il progetto rendendolo versatile nell'ambientare lo spazio dedicato al rivestimento, che con i Formati Magnum Oversize possono realizzare progetti più scenografici.

A concrete tile that comes in three simple colour shades, bianco, marrone, and grigio, but that is also characterized by a careful aesthetic choice. Motion Mix goes back to the origins of Casa dolce casa products with a decisive colour-shading; the Motion pure 01. 02. 03 version reflects the taste of the moment, interpreting concrete with soft colour variations, and Motion Basic completes the project, giving a versatile solution for tiling any surroundings, with the Magnum Oversize sizes allowing more spectacular projects to be created.

MOTION  
 OF Casadolcecasa

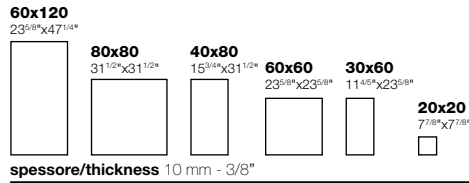

A concrete tile that comes in three simple colour shades, bianco, marrone, and grigio, but that is also characterized by a careful aesthetic choice. Motion Mix goes back to the origins of Casa dolce casa products with a decisive colour-shading; the Motion pure 01. 02. 03 version reflects the taste of the moment, interpreting concrete with soft colour variations, and Motion Basic completes the project, giving a versatile solution for tiling any surroundings, with the Magnum Oversize sizes allowing more spectacular projects to be created.

Ein Beton in drei einfachen Farbönen, Weiß, Braun und Grau, der sich aber durch eine präzise ästhetische Wahl auszeichnet. Motion mix entdeckt die Herkunft der Produkte casa dolce casa mit starker Farbvariation neu; die Version motion pure 01. 02. 03 hingegen spiegelt den aktuellen Geschmack der Interpretation des Betons mit weichen Farbtonänderungen wider. Motion Basic vervollständigt das Projekt und ermöglicht in puncto Verkleidung eine vielseitige Raumgestaltung, wobei die Formate Magnum Oversize für spektakulärere Projekte sorgen.

Un cemento que se presenta en tres tonos sencillos, blanco, marrón y gris, pero que se caracteriza por una elección estética precisa. Motion mix redescubre el origen de los productos Casa dulce casa con una destonación intensa; la versión motion pure 01. 02. 03 refleja el gusto del momento de la interpretación del cemento con suaves cambios cromáticos. Motion Basic completa el proyecto volviéndolo versátil a la hora de ambientar el espacio dedicado al revestimiento, ya que con los Formatos Magnum Oversize se pueden realizar proyectos más impactantes.

**Цемент интерпретируется в трех простых цветовых тональностях белого, коричневого и серого, но обретает свой темперамент благодаря вполне определенному эстетическому выбору. Motion Mix возвращается к истокам плитки Casa dolce casa благодаря своей выраженной разнотонности. Вариант Motion pure 01. 02. 03 отражает новомодный стиль имитации цемента в мягких хроматических вариациях. Motion Basic дополняет коллекцию, делая ее универсальной при облицовке интерьера, оформление которого может обрести впечатляющую эффектность благодаря форматам Magnum Oversize.**

In relazione alle differenti tecnologie produttive l'accostamento di prodotti con spessori diversi potrebbe presentare delle disomogeneità, se ne sconsiglia pertanto l'abbinamento. / Due to the different production technologies, contiguous installation of products with different thickness may give a non-homogeneous result. For this reason we do not recommend this option. / Vu que différentes technologies de production sont utilisées avec des épaisseurs différentes, des problèmes d'homogénéité pourraient se présenter, il est donc déconseillé de les poser ensemble. / Wegen unterschiedlicher Produktionstechnologien können die Fliesen mit verschiedenen Materialstärken optische Differenzen aufweisen. Von einem direkten Aneinanderlegen wird deshalb abgeraten. / Dadas las diferentes tecnologías productivas, la combinación de productos de diferentes espesores podría dar lugar a heterogeneidad, por lo que se desaconseja mezclarlas. / В связи с различием в технологиях производства, сочетание продукции разной толщины иногда может представлять неоднородность материала. Такие сочетания следует избегать.
